

At Koh Jum Beach Villas we are proud to present our exclusive in-villa breakfast dining experience. Every order is freshly prepared by our kitchen team and delivered to you in the comfort of your own villa. To make ordering easier we have provided numerical codes for each of our breakfast options (for example if you wanted 2 of our full western breakfasts you would simply order 2x1). Please submit your order and preferred time before 6pm the previous day to the "KJBV breakfast" WhatsApp account, a message will be sent confirming your order and time. Please limit your order to a maximum of 1 main dish and 1 cereal per person and adhere as closely as possible to the presented options. We will also send a fruit plate and pastry basket with every order. Thank you for your cooperation 🙏
