

Koh Jum
BEACH VILLAS

CORPORATE RETREATS

Blending Functionality & Luxury with Nature

WELCOME TO PARADISE

Immersive Inspiration

At Koh Jum Beach Villas, we offer more than just a stunning tropical escape; we provide a serene sanctuary where functionality and luxury meets nature, making it the perfect backdrop for your next corporate retreat, complete with a team of dedicated retreat coordinators.

Nestled on the tranquil shores of Koh Jum island in Krabi province, our eco-chic resort is designed to inspire creativity, foster team spirit, and rejuvenate your entire team.

Each villa promises unmatched privacy and comfort, allowing your group to focus, collaborate, and relax in a setting that is both luxurious and inspiring.

OUR LOCATION

Access Serenity With Ease.

Start your journey with a private transfer arrangement from Krabi Airport, which services many domestic and international flights a day. Our airport representative will welcome you and bring you to our private boat pier at Leam Kruat Village, approximately a thirty minute drive.

From Leam Kruat, a private long tail boat will take you to a quaint local fishing village called Mutu on Koh Jum itself. Taking about forty minutes, you will journey on calm waters passing by secluded tropical islands, allowing a glimpse into our regions thriving mangrove eco system. Your ease of mind starts here.

The resort is a 5 minutes private local tuk tuk ride from Mutu.

OUR RESORT

Eco-Chic Beach Villas

At Koh Jum Beach Villas, every detail is carefully curated to provide an eco-friendly environment without compromising on comfort. From our locally sourced building materials and organic garden to our community-focused initiatives and energy-efficient practices, we ensure that every corporate event hosted here contributes positively both to your team and to the planet.

Each of the 24 well-designed bespoke luxury villas, ranging from one to five bedrooms, are directly located on the resort's 700 meter long beach or in the lush tropical gardens with beautiful sunset views overlooking the Phi Phi Islands National Marine Park.

OUR MISSION

Natural Barefoot Luxury

We are committed to creating a retreat experience that not only serves your business needs but also aligns with our core values of sustainability and luxury.

Our Gold Certification with Travelife gives your company an endorsement towards your CSR goals.

Our mission is to transform corporate meetings from ordinary to extraordinary by offering a setting that invigorates the body, stimulates the mind, and nurtures the spirit.

EXCLUSIVE MEETING SPACES

Uninterrupted Excellence

Our villas offer exclusive havens where teams can conduct their business undisturbed.

Exclusivity is ideal for hosting high-level executive meetings, sensitive discussions or workshops, allowing you to conduct your business with complete peace of mind.

With our tailored accommodations and facilities, Koh Jum Beach Villas stands ready to transform your corporate retreat into a memorable and productive experience, all within the lap of luxury..

Choose from:

- 'Koh Lola' Secluded Island Beach Space
- Tropical Beach Bean Bag Brainstorming Area
- Beach Front Yoga Shala
- In-Villa Meeting Space
- Pool Villa Garden Set Up

OUR CORPORATE SOCIAL RESPONSIBILITY

Supporting Your Goals

At Koh Jum Beach Villas, we proudly hold Travelife Gold certification, committed to responsible tourism. Our practices include:

- Bottling our own water with a solar-powered plant and using glass bottles.
- Sourcing 85% of our food locally, reducing our carbon footprint.
- Partnering with Trash Hero and conducting daily beach cleanups.
- Using bamboo and reclaimed wood in our villas.
- Offering guests conservation experiences, like our Mangrove Restoration Program, where over 500 seedlings have been planted so far.
- Expanding our organic garden for fresh produce.
- Promoting zero-waste with composting and recycling.
- Reducing carbon footprint by 30% with solar power.
- Hosting monthly education programs with local schools, promoting sustainability and environmental awareness.

DRIFTSEED RESTAURANT AND BAR

Organic Ingredients, Global Flavours, Artisan Wines

Savour the finest cuisine at Koh Jum Beach Villas, featuring ingredients sourced from local farmers and our organic garden. Our farm-to-table concept reflects our commitment to sustainability by highlighting organic ingredients and supporting local agriculture.

With a focus on fresh, seasonal dishes, we offer themed daily specials, blending Thai culinary traditions with international flavours from Italy, Japan, and India. Guests can immerse themselves in our eco-conscious culinary offerings through hands-on cooking classes and organic garden tours, learning the sustainable practices behind every meal.

Our Metal Drum Coffee, grown organically by Karen hill tribe villagers at 1,000 metres in Northern Thailand, and our ecoSPIRITS collaboration, which reduces single-use glass waste, reflect our dedication to preserving the environment and reducing our carbon footprint with every cup and cocktail served.

CURATED EXPERIENCES

Holistic Adventures, Positive Impact

Crafted with the environment, community, and regeneration in mind, Koh Jum Beach Villas ensures that every adventure leaves a positive impact. Embark on a journey of holistic indulgence where each moment contributes to the greater good. From our active pursuits powered by eco-friendly practices to immersive cultural explorations and serene wellness offerings promoting natural healing. Every experience is meticulously curated to reflect the soul of our island and our dedication to sustainability and community enrichment.
